TERMS AND CONDITIONS OF SALE

ALL PRICES ARE F.O.B. KOSTER NURSERY,
BRIDGETON, N. J.

We give no warranty, expressed or implied, as to description, quality, productiveness, or any other matter of any nursery stock we sell and *we will not be in any way responsible for the crop.* If purchaser does not accept goods on these conditions, they are to be returned at once.

WE ASSUME NO LIABILITY FOR DELAY OR FAILURE IN FILLING ORDERS, DUE TO STRIKES, ACCIDENTS, CROP FAILURES OR OTHER CAUSES BEYOND OUR CONTROL.

To any firms of established credit, our terms are 2% 10 days, 30 days net.

To firms who cannot or will not establish satisfactory references, cash is expected with order.

To limit disposition of our material to nurseries and plant markets, orders must be written on printed stationery or a business card must be enclosed.

All small orders (less than 100 plants) must be called for at the nursery, with the exception of specimen plants. We would greatly appreciate it, if customers would pick up their material at the nursery whenever possible; however, we have in our locality a reasonable trucker who has given us excellent service in the past. You will understand that a full trailer load will be the cheapest means of getting your order home. Less than trailer loads are combined with other orders and will bring a small additional cost to the customer.

All quotations are subject to prior sales and confirmation, in accordance with our usual terms and conditions.

BOXING AND PACKING CHARGES ADDITIONAL AT COST.

JAPANESE BEETLE CERTIFICATES

SUPPLIED FOR ANY SHIPMENT ON REQUEST
All Rhododendrons and Azaleas are Grown in DDT Treated Ground and can be shipped to any part of the country without dip treatment under the Japanese Beetle Quarantine.

ALL SHIPMENTS ARE ACCOMPANIED BY A
NEW JERSEY CERTIFICATE OF HEALTH.

ALL CLAIMS MUST BE MADE WITHIN
10 DAYS AFTER RECEIPT OF GOODS.

No orders are to be dug unless proper arrangements have been made through the office.

August 1, 1956

Fellow Nurserymen:

After returning from Los Angeles, where we Easterners enjoyed a great welcome as well as wonderful hospitality, we analyze the situation and compare our East coast with the West.

We arrived home and found our nurseries showered with an abundance of WATER and everything looked fresh and green. All of which is helping our growing season, and an excellent line of rhododendrons, azaleas, dogwood and maples, are maturing for our 1957 season.

Our prices will remain nearly the same and many items marked-SOLD OUT-only means that we are sold out on this particular item for the ensuing year.

When you are in this vicinity, it will always be a pleasure to see you on our nursery. All of you are most welcome.

Gerard Overdevest
Manager

JAPANESE HYBRID AZALEAS

ROSE RED

AMOENA COCCINEA KU. Sgl. E. Dwf.

This is a clear rosy red which should not be confused with the Purple Amoena. Its outstanding quality is its hardiness. Occasionally a few branches may revert, but if cut out the plant will keep true to color.
